(e) In the case of an unusual circumstance(s), such notice may be waived and the resolution called to the floor by a three-fourths favorable vote of the members present and voting in the Convention of International Chapter. The resolution will then require a three-fourths favorable vote for adoption.

5. When a vote is taken by written ballot or electronic voting equipment in local, s/p/d or International chapters, the chair of tellers shall provide the report to the president who shall read the entire report and announce the result of the ballot.

14. The president of each local chapter in non-chartered territory shall write an annual letter to the organizer of International Chapter informing her of the activities and status of the chapter. The letter shall be read and approved at a chapter meeting in February and mailed before March first.
