Hostess Chapters – Reciprocity Groups II and IX

Greetings from your president. . .

The sisters of Reciprocity Convention Hostess Groups II and IX join me in welcoming you **BACK** to the Younes Conference Center in Kearney for the 132nd Convention of Nebraska State Chapter of the P.E.O. Sisterhood. We have planned a weekend filled with traditional convention events and some experiences unique to the celebration of *"Shooting Stars! It's Who We Are!"*

As specified in the Constitution, Bylaws and Standing Rules of the P.E.O. Sisterhood, "a convention is to be held annually." The purpose of convention is to conduct the business of Nebraska State Chapter, and that will occur during the two business meetings on Saturday and the final business meeting on Sunday morning. The decisions made at these meetings will determine the direction our chapter will take for the coming year and choose the women who will lead us.

There are four workshops being presented on Friday evening that will be full of useful and thoughtful information. You will each have the opportunity to attend all four: "L.I.V.E.L.Y. Chapter Meetings," "Recruiting for Cottey," "Pursuit of the Objects and Aims," and "F.O.A.M."

Our special guests this year are International representative, Alix Smith, second vice president of International Chapter and Stephanie Grgurich, Director of Alumnae and P.E.O. Communication Cottey College. Both sisters have news to share and helpful suggestions to impart that will help us improve our *"Shooting Star"* qualities!

We understand that after a two-year drought of not meeting in person everyone is eager to renew friendships, network with new sisters and **VISIT!** Plenty of time for that while visiting the History Room, Projects Displays and shopping at the "Marguerite Market." New to convention this year is "Mission Control!" Check in with our Membership Development Committee for help with membership issues, ideas you can use and much more that will aid you in improving and sustaining your chapter's vitality.

Many of the traditional and favorite events of convention are back and ready to resume. We'll recognize our Golden Girls and milestone local chapters at the Honors Luncheon, hear the impact our projects have made in the lives of the recipients at Philanthropies Night and remember our sisters who have joined Chapter Eternal this past year during the Time of Remembrance.

We have tried to provide something to inspire everyone that will enable them and their chapters to be *"Shooting Stars!"* because *"It's Who We Are!"*

Lovingly,

Sherry Erlewine, FU, president

PROCEEDINGS

CONVENTION OF NEBRASKA STATE CHAPTER OF THE P.E.O. SISTERHOOD JUNE 10—12, 2022 YOUNES CONFERENCE CENTER KEARNEY, NEBRASKA

MINUTES

FIRST MEETING OF CONVENTION

Saturday Morning, June 11, 2022

The 132nd annual Convention of Nebraska State Chapter of the P.E.O. Sisterhood convened at 10:05 a.m., June 11, 2022, at the Younes Convention Center in Kearney. Reciprocity Hostess Groups II and IX served as hostesses, represented by Co-Chairs Jan Moore, EY and Julie Schenk, EY.

The theme from Star Wars was played during the processional for the executive board, representative of International Chapter, past state presidents and state committee and project chairs.

Prior to calling the meeting to order, President Sherry Erlewine had a moment of Special Recognition of Past State President (PSP) Peggy Brendel, IE, who would have presided at the 2020 Nebraska State Chapter convention which was canceled due to the COVID-19 pandemic. Alix Smith, representative of International Chapter, presented the past state president's credentials to Peggy on behalf of the International Chapter of the P.E.O. Sisterhood and the Nebraska State Chapter. The convention gave special recognition to the contributions Peggy has given to the state chapter.

The meeting was called to order by President Sherry Erlewine at 10:15 a.m.

Jeanie Daiss, FU, delivered the invocation.

INTERNATIONAL PHILANTHROPY REPORTS

REPORT OF THE P.E.O. EDUCATIONAL LOAN FUND

The P.E.O. Educational Loan Fund (ELF), established in 1907, makes loans available to qualified women who desire higher education and are in need of financial assistance. ELF is an attainable, empowering source of financial support for so many women in their quest for education. This revolving loan fund is dependent upon the financial support of P.E.O.s. Chapter donations to ELF allow the fund to grow and assist ever increasing numbers of qualified women.

In the last year, Nebraska chapters sponsored 15 women in ELF loans totaling \$228,000. A special thank you to these chapters for their efforts in this endeavor: AH, Alliance; AV, Pawnee City; BB, Ord; BE, Pierce; CB, Ravenna; CL, Ogallala; CM, Crete; FA, McCook; FZ, Omaha; GT, O'Neill; GV, Lincoln; HE, Lincoln; O, Geneva.

Chapters AV, Pawnee City, and CL, Ogallala, deserve special recognition for sponsoring more than one woman this past year, and for their sustained efforts in sharing the gift of chapter support with women who qualify. Kudos to you, AV and CL, for consistently helping others achieve their educational goals with ELF—well done!

The following chapters have achieved ELF Legacy Chapter status by making a lump sum contribution of \$500 or more to ELF: AN, Lexington; CY, Falls City; GB, Omaha (GB made two qualifying contributions); GG, Kearney; FF-IA, Lincoln. Congratulations, Legacy Chapters, and thank you for making ELF history by supporting future generations of women learners!

To help your chapter build their legacy, consider making a lump sum chapter donation (or individual contribution, specifying the chapter to be credited) of \$500 or more to ELF. To receive recognition, the chapter contribution must be received by the state treasurer or assistant secretary/treasurer by January 31. Chapters designated as ELF Legacy Chapters will receive a certificate at their s/p/d convention and be listed on the ELF pages of the P.E.O. International website.

Possible ELF candidates are everywhere! With 2 percent interest and eight or 10-year payback periods, this program can be so beneficial to women who are looking for an affordable alternative to a high-interest student loan. The maximum loan amounts are \$12,000 for associate and bachelor's degree programs, technical or professional training, and postgraduate certifications, \$15,000 for master's degrees, and \$20,000 for doctoral level degrees. Everything your chapter needs to get started can be found online; it is easy and accessible. ELF does not have specific submission dates, but submitting a candidate's application in April or May for a fall term and August or September for a spring term can help speed up the application process.

REPORT OF THE P.E.O. INTERNATIONAL PEACE SCHOLARSHIP FUND

In April 2022, the IPS Board of Trustees awarded \$1,910,250 to 171 recipients from 63 different countries. During the 2022—2023 academic year, these exceptional women will be studying toward graduate degrees at 92 different colleges and universities in 40 states and four Canadian provinces. Excluding current awards, IPS has paid scholarships to 6,549 women from 178 different countries, totaling over \$48,999,013 million since 1949. Of the 2022—2023 recipients 61 are from Africa, 25 from South America, 49 from Asia, 17 from Europe, six from the Middle East, five from North and Central America, two from Australia/Oceania and six from the West Indies.

Nebraska chapters donated a total of \$31,538.58.

CONGRATULATIONS NEBRASKA

THANK YOU again for our first NEBRASKA IPS recipient!

Let's do it again and have more than one next year!

A couple of reminders: The maximum scholarship is \$12,500 for international graduate students and \$6,250 for Cottey students.

Partners in Peace Chapters are limited to one chapter per award (\$500 per chapter). We are down in how many chapters who committed to be Partners in Peace this year due to COVID so let's hope next year the Partners in Peace come roaring back as we recover and can invest ourselves in fundraising for ALL of our P.E.O. Projects!

Let's try next year to have a Nebraska Named Scholarship chapter who donated \$12,500, funding an entire scholarship for an IPS recipient!

CONGRATULATIONS and THANK YOU to the following Nebraska chapters who have made this commitment to be Partners in Peace Chapters for the upcoming school year of 2022—2023! (Your students will be assigned in the fall.)

Chapter HP, Omaha

Chapter I, Wahoo

These extraordinary IPS recipients leave their home countries with hopes and dreams to study in the U.S. and Canada with plans to return home with advanced degrees promoting peace through their education, to be vehicles for positive change and excellent role models. These degrees will enable them to help foster peace through education by taking leadership roles in conflict resolution, government, education, health care, food production, technology, economic and environmental development, law, arts and sciences.

Cultivating PEACE in our lives and in the lives of everyone we touch is more than ever essential at this time in history. Thank you for your continued support of IPS!

Lastly, I want to thank the state board for the opportunity to serve as the Nebraska state IPS chair for these past five years. Being a part of the IPS Scholarship has deeply enriched my life and my membership in our Sisterhood, as well as given me an opportunity to get to know many more sisters across our great State of Nebraska who will be lifelong friends! May PEACE be the Umpire of our hearts! Col. 3:15, The Holy Bible

REPORT OF THE P.E.O. PROGRAM FOR CONTINUING EDUCATION

The P.E.O. Program for Continuing Education (PCE) was established in 1973 to provide a need-based grant to women in the United States and Canada whose education has been interrupted and who find it necessary to return to school to help support themselves and their families. Current requirements include an educational interruption of at least 24 consecutive months and an anticipated graduation date within 18 months of applying for the PCE Grant. Additionally, beginning March 1, 2022, eligibility for this award includes a requirement that the recipient must not have already earned a master's degree. The maximum one time grant is \$3,000, though lesser amounts may be awarded according to available finds and financial need.

On an International level, since the program's establishment, 51,958 grants have been awarded in Canada and the U.S. for a total of \$65,475,183. From July 1, 2020, to February 2021, 975 applications were reviewed against a budget of \$3,300,000 for the year.

In Nebraska, from March 1, 2021, to February 28, 2022, P.E.O. chapters sponsored 16 applicants with 16 full and partial grants being awarded. The total dollar amount awarded in Nebraska was \$36,300. Thank you, Nebraska chapters, for recognizing the needs in your communities and dedicating the time and effort necessary to listen to these women and sponsor them. We are truly "Funding Grants for Brighter Futures!"

A PCE Brighter Tomorrow Chapter is one which provides a \$500 or greater donation to PCE. A special gift of \$3,000 provided by an individual, a collection of chapters or an individual chapter in honor of an individual or chapter is a way to establish a PCE Named Grant. During this fiscal year, 10 Nebraska chapters were recognized as Brighter Tomorrow Chapters. Included in this illustrious group are the following chapters.

Chapter AN, Chapter BE, Chapter CM, Chapter CY, Chapter ES

Chapter GB, Chapter GG, Chapter GR, Chapter HO, Chapter IL

Congratulations to these chapters for your recognition, and thank you for providing an example of how individual commitments can make a difference for our communities. Together we will continue to lift and support the women in our communities and contribute to a bright future!

In 2023, PCE will be having a special 50th anniversary! To celebrate, the trustees will be awarding 50 special grants in the amount of \$5,000 to applicants demonstrating significant financial need and who upon completion of their educational program will vastly improve the opportunity for financial stability for themselves or their families. To help with this celebration, PCE is suggesting each local chapter, as well as individual donors, contribute an extra \$50 during 2022 and/or 2023 as a PCE Anniversary Gift. I look forward to seeing the lift Nebraska P.E.O.s can provide by honoring this request for an additional donation to PCE!

REPORT OF THE P.E.O. SCHOLAR AWARDS

The star for the P.E.O. Scholar Awards (PSA) was officially added to the constellation of P.E.O. International projects at the 1991 Convention of International Chapter in Omaha, the fifth project of the Sisterhood. Women from the United States and Canada who are pursuing a doctoral level degree at an accredited college or university are eligible for this merit-based award. At its inception, the award was \$5,000 and was given to 30 recipients. After several smaller increases, the award amount was increased to \$15,000 in 2008. In recognition of the award's 30th Anniversary in 2021, the award was increased to the current \$20,000 and was awarded to 100 outstanding women. (Nebraska had two winners in 2021.) A total of \$30.25 million has been awarded to 2,627 women since 1991.

The P.E.O. Scholar Awards Board of Trustees announces recipients no later than May 1 for the upcoming fall academic year. Nominations for awards are to be forwarded to the executive office in Des Moines between August 20 and November 20 of the year preceding the award year. All the nomination work is completed online. Of course, the chapter is required to submit a nomination letter of support and it is hoped a personal interview can be held, or at least an interview on Zoom, prior to the woman's nomination.

The Scholar Award nomination and selection process is detailed extensively on the P.E.O. International website, including tips on identifying possible nominees, interview strategies and especially tips on writing a strong chapter letter in support of the nominee.

In the fall 2021 application period, 775 successful nominations were submitted to the board of trustees, (only 12 from Nebraska)! The following 12 chapters are to be congratulated for identifying and nominating highly talented women for the award this past Fall: AZ, Wayne; BE, Holdrege; BL-FP, Chadron; CC, Seward; CK, Grand Island; FA, McCook; GF, Omaha; GQ, Lincoln; H, Holdrege; HE, Lincoln; HI, Ogallala; and HY, Omaha. It is hoped that all Nebraska P.E.O.s will consider relatives, friends, relatives of friends and organizational or workplace acquaintances as each chapter pursues young women who should be P.E.O. Scholar Award nominees! Within each Nebraska P.E.O. chapter, at least one of our chapter members should know a young woman deserving to be a P.E.O. Scholar Award recipient. Reading articles in the P.E.O. Record about past recipients will help you recognize these scholars. Nebraska has so many women who would be tremendous candidates for this award. Each chapter just needs to find one and nominate her. With each local chapter's nomination, Nebraska has a better chance to win and keep our donations to the project in our state.

Supporting the P.E.O. Scholar Award by nominating a young woman OR by making an individual or chapter gift to this project is so very important as we continue to recognize superlative women! This past year, Nebraska chapters contributed \$31,364.19 to the P.E.O. Scholar Award project.

Chapters can also promote and support this incredible project by becoming a PSA Laureate Chapter. "Laureate" is defined as "worthy of the greatest honor of distinction." There are 979 Laureate Chapters in the United States and Canada in 2022. The following six Nebraska chapters have achieved this status

for the giving year of March 1, 2021, through February 28, 2022, by donating \$500 to the PSA fund: G, Hastings (first year); H, Holdrege (first year); CY, Falls City (four years); ES, Lincoln (first year); GG, Kearney (five years); and HE, Lincoln (two years). In previous years, chapters could also become a PSA Laureate Chapter by nominating a successful P.E.O. Scholar Award recipient, but this is no longer the case.

This, my first year as PSA chair for Nebraska, has been a real learning experience. Thanks to my predecessor, Dori Bush, HE, for organizing the Scholar Award files and giving me guidance my first year. Thanks also to Gail Allbery, GF, (PSA chair prior to Dori and prior to COVID), for the table displays used in the PSA Exhibit—and thanks to the Executive Board of Nebraska State Chapter for giving me the opportunity to serve my sisters in this capacity. I look forward to putting names with faces at the state convention.

Jerri Haussler, G, Chair

REPORT OF THE P.E.O. STAR SCHOLARSHIP

The 2009 Convention of International Chapter saw the sixth P.E.O. project put into place. This is the STAR Scholarship which continues to help women further their education towards a college degree. This scholarship provides \$2,500 to high school seniors who maintain at least a 3.0 grade point average and exhibit excellence in leadership, extracurricular activities, as well as volunteerism in community service and have the potential for future success.

From September through October 2021, recommendations were received from Nebraska chapters with young women being selected as recipients in April of 2022. These students will use their award for the 2022—2023 academic school year.

As directed by International I am using last year's figures for my report as the new figures have not been made available.

In the fall of October 2020, 89 recommendations were received from Nebraska chapters, with 46 young women being selected as recipients in April of 2021. These women shared \$115,000 which was used for the 2021—2022 academic year.

This year as STAR Scholarship chair, I received many calls and emails asking questions, wanting input, asking how to move forward with their recommendation and what to do with extra names the chapter wanted to submit. I would like to suggest that the state set up a portal where chapters wanting a name to submit or chapters having an extra name or two could share that information. Please remember that you can contact the STAR Scholarship chair anytime with questions or concerns.

Past years of STAR Scholarship recipients and their recommending chapters are listed on the P.E.O. International website under the projects link. Hover on STAR Scholarship, go to the right drop down menu and click on "Meet the STAR Recipients." At the top click on STAR Scholarship Recipient listings, and you can refine your search by clicking on year, name or state. Additionally, there is an abundance of information on the website for chapter STAR chairs, including a STAR PowerPoint for anyone who would like to learn more about the STAR Scholarship program. The International website is

used for online submission of applicants for the scholarship. The chapter letter segment is a series of questions and responses. Please carefully consider and completely respond to each part. To ensure that all applicants have an equal amount of time to complete the application, recommendations can only be submitted by chapters between September 1 and November 1. Each successful applicant will then have thirty days to complete her application.

For the past fiscal year donations to Nebraska State Chapter for the STAR Scholarship were \$34,898.80. The STAR Scholarship Board of Trustees notified us last year that 855 chapters made a \$500 contribution to become a STAR Constellation Chapter.

The number of STAR Scholarship awards is determined by the amount of funds donated to the project. In a perfect world all applicants would also be recipients. If your chapter was fortunate enough to have your applicant selected, please remember her during her freshman year with notes of encouragement and any goodies your chapter would choose to send to her. Remember, it is never too early to be thinking about your chapter's next candidate!

Sincere thanks to our Nebraska P.E.O. sisters for your loving and ongoing support of this very worthwhile project by helping more young women reach for the stars!!

REPORT OF THE COTTEY COLLEGE STATE COMMITTEE

While the COVID-19 pandemic continued, the Nebraska Cottey College State Committee continued to work through the roadblocks from COVID restrictions. Cottey packets were requested and emailed to Nebraska chapters. Each chapter with a packet was to go to local high school counselors to inform them of the academic programs and scholarships available at Cottey College.

Amy Rohlfs managed the Adopt-A-Student program. Obtaining names of students was problematic this year as Cottey College was having difficulty with finishing their list in order to give us the information to pass on to waiting Nebraska chapters. Having students on and off campus added to the struggle.

Cottey College has stopped the “C” for Yourself Cottey Event. Now interested girls and their families are strongly encouraged to set up individual visits at the College. This means we will no longer have the yearly bus trips. This means all Nebraska P.E.O.s must be on the lookout for prospective students. There is a simple form to fill out on the Cottey College website! After you fill out the form, Cottey College personnel will take over and work with the individual girl and her family. The website form can be found at: www.cottey.edu and click Request Info.

Cottey College has decided to cancel summer workshops and group prospective student events. Cottey College will provide a one night hotel stay to all visitors from over 100 miles away. Plus, all campus visitors who apply and then enroll will receive a \$1,500.00 annual scholarship. This is an important bit of information to give to any girl you talk with. They can set up a visit at www.cottey.edu/visit. It is up to each of us to help Cottey College grow and thrive. Thank you, Cottey College Committee, for your support.

Nancy Wheeler, AU, PSP, Chair

REPORT OF THE NEBRASKA COTTEY SCHOLARSHIPS COMMITTEE

Two first-year students and three returning students from Nebraska applied for and were awarded scholarships by the Nebraska Cottey Scholarship Committee. Thanks to the generosity of the Nebraska P.E.O. sisters and the scholarship fund donations, over \$37,321 was awarded to these five amazing young women.

First-year students Aiyana Rhoten, sponsored by Chapter AM, Fairmont, and Grace VanEngen, sponsored by Chapter FQ, Lincoln, will begin their studies at Cottey in August of 2022. These scholarships will make a difference in their lives as they pursue their studies in music performance and education and library science, respectively.

Second-year (returning) students Madison Kucera and Sophia Mirabella, sponsored by Chapter ES, Lincoln, and Annalise Smalley, sponsored by Chapter GE, Omaha, will continue their studies at Cottey in the 2022—2023 school year. These scholarships will help them continue to pursue their studies in secondary education, environmental studies and small business, respectively.

The Nebraska Cottey Scholarship Fund is one of two Nebraska philanthropies: the other is the Nebraska P.E.O. home. Nebraska women who have been admitted to Cottey are eligible for scholarships from these funds. Additionally, four endowed scholarships, the Goff Cottey Scholarship, the Shirley Blair and Cynthia Lloyd (Chapter HD) Scholarship, the Doris Blair and JoAnne Blair (Chapter V) Scholarship, and the Milrae/Anderson (Chapter I) Scholarship are administered by the P.E.O. Foundation. The Nebraska State P.E.O. Treasury administers two scholarships, the Helen Housman and the Bertha Clark Hughes Scholarships, as well as three Nebraska State Scholarships. Finally, contributions from the Nebraska local P.E.O. chapters add substantial funds, which are distributed among our applicants. This year, \$18,967 was awarded from the chapter donation fund to our deserving applicants!

| Recipient | Scholarship | Sponsoring Chapter |
|------------------|---|---------------------------|
| Aiyana Rhoten | Nebraska State Scholarship 2 Goff Cottey Scholarship Nebraska Local Chapters Scholarship | AM |
| Grace VanEngen | Nebraska State Scholarship 1 Milrae/Anderson Scholarship Bertha Clark Hughes Scholarship Nebraska Local Chapters Scholarship | FQ |
| Madison Kucera | Helen Houseman Scholarship Nebraska Local Chapters Scholarship | ES |
| Sophia Mirabella | Shirley Blair & Cynthia Lloyd Scholarship Nebraska Local Chapters Scholarship | ES |
| Annalise Smalley | Nebraska State Scholarship 3 Doris Blair & Jo Anne Blair Scholarship Nebraska Local Chapters Scholarship | GE |

Our committee appreciates and thanks the chapters who sponsored our scholarship recipients this year. Sponsoring a student for a scholarship requires that the chapter vote in favor of a recommendation letter in support of the student's application for scholarship. It is advised that a chapter member meet with the student for an interview prior to voting to sponsor. Keeping in touch with these Cottey students throughout their academic journey is one way to honor our mission as an organization and encourage and support these young women. The application materials for all five recipients reflect their commitment to their academics, extracurricular activities and community involvement.

Applications from women who have been accepted or are continuing for a 2nd, 3rd, or 4th year are due to the committee each year by February 1.

Even though Cottey tuition and fees remain extremely competitive, the assistance our scholarships provide to our Nebraska young women is critical as families encourage their daughters to further their education. Please remember to include donations to the P.E.O. Foundation and the Nebraska Cottey Scholarship Fund when making your project donations each year. As Cottey continues to expand their offerings and grow their enrollment, we expect to see more Nebraska young women taking advantage of the incredible educational opportunities and Nebraska P.E.O.s want to be prepared to support them in all meaningful ways.

Amy Rohlfs, IJ, Chair

REPORT OF THE RECIPROCITY GROUPS

Fourteen geographically located reciprocity groups continue to provide structure for the framework of P.E.O. in Nebraska. Ten of these groups meet annually and all meet in the fall. The other four groups are located in the metro areas of Omaha (II and IX) and Lincoln (V and XII) and meet three or four times a year.

The function of the reciprocity groups continues to be to welcome unaffiliate sisters, promote our International and state projects, receive updates from International and Nebraska state chapters, and provide opportunities for sisters to collaborate and socialize. These groups also serve as host groups for state convention. The reciprocity meetings provide an opportunity to share updated information about Cottey College and the Nebraska P.E.O. Home.

Nebraska also has roundtable groups. These city groups consist of three or more chapters in the local area. They meet to share social and special meetings. These meetings may include Founders' Day celebrations or reports from Convention of International Chapter/Nebraska State Chapter. These city groups each have a contact whose information is listed in the Resource Library on the Nebraska website.

Thank you to all our sisters who serve our reciprocity groups! They help to make our Sisterhood strong. The officers of these groups need to be commended for volunteering their time to keep our chapters connected and working together. Also thank you to these groups for their outstanding planning and serving at our Nebraska State Conventions!

REPORT OF MEMBERSHIP DEVELOPMENT COMMITTEE

After the reconfiguration of the Membership Development Committee (MDC) in 2018, this committee has continued to evolve. The committee was made up of nine members that have become the contact on the Membership Development Committee for the nine geographical areas of the state of Nebraska. The members of the committee contact the 19—35 chapters in their area on a monthly basis. They pass along the monthly Membership Message through email. This message focuses on timely membership information and a copy of the International Hot Spot. The local chapters are encouraged to contact their MDC contact for any membership information or advice. The committee has appreciated the chapter communication and want to encourage chapters to use their contacts for membership information. The committee has also added to the Nebraska P.E.O. Facebook page.

In the past year the focus of the MDC committee has continued to encourage and support chapters as they continue to move through the pandemic. This has truly been a difficult time for our chapters. The MDC has shared ideas on how to meet safely during these times and transition back to meeting in person. Many ideas have been shared about how to keep the chapters active. The entire world is learning to adapt to these challenging times and P.E.O. is no exception. The MDC has continued to help with this transition.

The MDC met in person in August this year. We have worked with our Regional Membership Representative to keep current with International membership information.

The committee has worked with the International membership portal to gain information about unaffiliates. The MDC works to get this information out to the local chapters. The MDC has been encouraging our chapters to continue to be looking for ways to grow our Sisterhood and reaching out to the unaffiliates in their area. Our committee must continue to work on getting these important resources in the hands of our chapters.

The committee has continued to work on the structure of the committee. This committee will continue to evolve with the coming year to become the best membership resource for the Nebraska local chapters.

Peggy Brendel, IE, PSP, Chair

REPORT OF THE CHAPTER GROUPINGS COMMITTEE

Due to the pandemic, the Chapter Groupings Committee did not meet in person. President Sherry Erlewine contacted this committee's chair and other members and a recommendation to adjust a horizontal line in the grid was made to adjust for a chapter disbandment and to simplify the process of updating the Chapter Groupings grid. As always, chapters are encouraged to check the list of Delegates to Convention of International Chapter to ascertain when they are next eligible to send a representative to Convention of International Chapter. Thank you for allowing me to serve.

REPORT OF THE NEBRASKA P.E.O. HOME

The Nebraska P.E.O. Home has had another very healthy and safe year which speaks so highly of our residents, staff and families. There were a couple of very light cases of COVID that required no additional protocols other than those already in place. Residents and staff continue to be tested at least once per week. Our resident numbers have grown—as of this writing, there are 18 residents.

Our continued thanks for your participation in the Adopt-A-Resident program. All residents enjoy encouragement and support from four chapters each. Your thoughtfulness truly does lift the spirits of our residents. Chapters who have adopted an employee have very much boosted morale among our staff. Employees “LOVE” working at our Home which truly makes living there like a family for our residents. It is amazing how so many of the staff members go above and beyond with on-the-job training to be of help in all areas of our Home.

Our Home administrator, Shari Little, continues to keep a close eye on continued COVID-related grants. In March 2022, Shari was notified of a generous grant that was awarded to our Home. It is very much helping with the extra expenses of masks, gowns, testing strips, paper products that must be on hand, etc.

Thank you for your support of our Home by an overwhelming majority of “pro” votes to increase the amount, per Nebraska member in our dues, to help with the basic maintenance—utility bills, inspection fees for our fire alarm and sprinkler system, our elevator, etc. Unless utility bills rise exorbitantly, water, gas, electricity, basic plumbing, etc. will be covered in the coming year. As you know, since the last raise, in 1994, those costs have grown very much.

Funds were earmarked some time ago for the paving of the new parking lot south of our Home. A civil engineer was secured to work with the City of Beatrice to be sure the paving will happen soon and will meet the needs for proper drainage, etc. How great it will be to have a safe parking situation for employees, families and visitors. Rooms continue to be updated and/or renovated for safety as needed. Flowers are blooming, the water fountain flows, and residents are enjoying some time outside playing “corn hole,” lawn bowling and visiting on the front porch.

Your board of directors has been vigilant in keeping up with needs. So many improvements have been made within the last 10 years for the safety and comfort of our residents. This “working team” of board members communicate often related to needs, and we so appreciate all of you who help us keep our Home in tip-top shape.

A heartfelt thanks for your donations and continued love of our Nebraska P.E.O. Home so that our residents and staff can continue to live and work in “The Home that Love Built.” We are amazed by and so very thankful for the “memorial gifts” given. You can be proud of Nebraska P.E.O. owning this facility since 1937. It is truly amazing that WE, Nebraska P.E.O. sisters own and operate such a fabulous facility. Thank you!

**REPORT OF THE FINANCE AND
BUDGET COMMITTEE**

In accordance with the duties defined in the P.E.O. Constitution and the Bylaws and Standing Rules of Nebraska State Chapter of the P.E.O. Sisterhood, the Finance and Budget Committee submits the following report.

The expense reports of the state officers, trustees and committees containing accounts of receipts and expenditures of state chapter funds have been examined and found to be in order.

Audits of the books of the assistant secretary/treasurer of Nebraska State Chapter, Sheri Rasmussen, have been studied and found to be in agreement with membership reporting for Nebraska. Sheri’s financial books have been audited by Denman and Company, LLP, and found to be correct.

Sheri has worked in accordance with her defined duties and has continued to furnish the executive board and the Finance and Budget Committee with pertinent financial reports including copies of the state chapter account receipts, deposit and check details, and profit and budget performance for both the convention fund and the general fund.

The Finance and Budget Committee met with the executive board and the assistant secretary/treasurer on May 16, 2022, to finalize the state chapter budget for 2022—2023, retroactive to April 1, 2022, and to establish the budget for this Convention of Nebraska State Chapter. As you will note, the convention budget does not look like last year’s budget, due to the fact that this

convention is being held in person rather than via Zoom.

The committee recommends that the SURPLUS of \$18,011.07 of the General Fund be transferred to the General Reserve Fund and in compliance with the current policies and procedures acknowledges that the SURPLUS of \$32,018.20 must remain in the Convention Fund for future expenses.

The committee wishes to commend members of the executive board and the committee members for all their efforts in the past year. We also wish to thank Sheri Rasmussen for all her assistance in providing the committee with the necessary information in new formats and report forms that made our deliberations and decisions effective on behalf of the Nebraska State Chapter membership.

REPORT OF THE AMENDMENTS AND RECOMMENDATIONS COMMITTEE

The proposed amendments to the Bylaws of Nebraska State Chapter were received by the committee from the state executive board. The proposals were reviewed and studied by the committee under the direction of Karen Leftwich, adviser from the International Study and Research Committee. Additional input was also received from Kathy Soppe, Executive Director of International Chapter of the P.E.O. Sisterhood and also Dana Van Roekel, Director of Finance/Treasurer of P.E.O. Executive Office.

After final approval of the study and research adviser, the cover letter and proposed amendments to the bylaws were sent by email notification to all local chapters and all others required to receive the proposals per the list found in the Manual for Amendments and Recommendations Committees. All committee work was accomplished by Zoom meetings, email and phone conversations.

The chair wishes to thank committee members Deb Nelson and Leann Drullinger. The committee also wishes to express sincere thanks to the state executive board for their guidance and support. Special thanks is also given to Karen Leftwich for her assistance. Besides those previously mentioned, I would like to thank everyone else that assisted in getting the proposed amendments ready for presentation at our convention.

During convention, the proposed amendments will be presented by the state president and committee chair for discussion and vote. The work of this committee will be completed when the disposition of the amendments is reported to the Study and Research Committee adviser and the changes to the Bylaws of Nebraska State Chapter are incorporated into the 2022 convention proceedings of Nebraska State Chapter.

REPORT OF THE LOCAL CHAPTER OFFICER WORKSHOP (LCOW)

The Local Chapter Officer Workshop for the West Region was held on Saturday, April 2, 2022. The meeting was held virtually via the Zoom platform.

A total of 45 chapters are in the West Region with six additional chapters asking to join a session. All chapters sent in their officer's name and email. Of the 45 chapters in the West Region 32 chapters reported attendance by at least one of their officers.

The following workshops were held:

| | |
|---------------------------|----------------------------------|
| President/ Vice President | Sherry Erlewine, president, NSC |
| Recording Secretary | Kellie Stang, organizer, NSC |
| Corresponding Secretary | Jane Van Horn, treasurer, NSC |
| Treasurer | Renee Piper, vice president, NSC |
| Guard/Chaplain | Jean Matheny, secretary, NSC |

The sessions were conducted to teach chapter officers about the responsibilities of each office. This is an excellent opportunity for state officers to connect with local chapter officers and for local officers to get training as they begin their new offices. Each officer was able to “screen share” which made the presentations much more accessible to the group. State officers showed the resources for each officer which are posted on the peointernational.org website. After explaining the goals of each office and how to accomplish those tasks, questions were taken from the chapters. Most sessions lasted between 60—90 minutes and everyone seemed to feel that the morning was most successful. Most local chapter officers liked this platform as they had their supplies with them and could refer to them easily as they were discussed. They were glad they didn’t have to travel to the meeting and it was much easier to fit into their schedule.

Thank you to all chapters that participated in the Local Chapter Officer Workshop!

REPORT OF THE HISTORY COMMITTEE

This has been a busy year for me as the newest Nebraska P.E.O. Historian. It began in the fall of 2021 by transferring our vast historical collection to my home from Susan Harr’s home. Luckily, we both live in Omaha so once the packing up was completed, the journey was short. In the spring of 2022, the boxes and totes were once more transferred to their newest home because of my recent move. Our items of historical value have been well taken care of and are now safely stored in my P.E.O. rooms and closets. Historian Susan Harr was diligent in following archival practices and this historian will continue this practice. According to 2008 instructions from International Chapter, state chapter historical items are not to be stored in public buildings where non-P.E.O.s might have access. These instructions apply to local chapters as well.

The following is in the IOLC under the president. In 2008, the Executive Board of International Chapter introduced the written requirements for acceptable storage of historical items for local chapters. Historical collections may not be housed in a public or private repository (e.g., library, museum, college archives, historical society, etc.) that is not associated with P.E.O., which would allow access to the materials by the public (anyone other than P.E.O. members); each repository has its own governing policies that may conflict with P.E.O. policies, may curtail access to materials, or may apply their own archival standards for disposal. Moreover, contact with the local chapter may be lost.

As I began my first year as historian, I spent many weeks exploring the items Nebraska P.E.O.s hold dear; for example, hand-written letters from Founders Franc Roads Elliot, Alice Bird Babb and Mary Allen Stafford and vast correspondence kept by Nebraska past state presidents and historians. Bertha Clark Hughes, past state president and past president of Supreme Chapter was particularly diligent and interested in the early history of Nebraska State Chapter and kept a multitude of her correspondence between Nebraska P.E.O.s and P.E.O.s from all over the United States, plus the early history of our Sisterhood’s first philanthropy, the Educational Loan fund. Bertha served as Supreme president from 1921—1923 and became a person of interest in my oral report given at state convention in Kearney this past June.

In January 2022 I was fortunate to receive a hand-written report of the 1922 Nebraska P.E.O. convention. It came by mail as a surprise addressed from David Roper, Hicksville, New York, the great grandson of Coco (Maloney) Roper. David was going through family papers and came across his great grandmother's account of her experiences during her time spent at the 33rd Nebraska state convention in Fairbury, May 23—25, 1922. The report is written on Thayer County stationery with a picture of the county courthouse. The 12 pages are yellowed but in extraordinary condition for their age. I noticed a rust mark made by an old paper clip that was no longer attached. The report isn't signed by Coco so David wasn't sure it was written by his great grandmother but knew she lived in Hebron at that time. I looked in the state proceedings from convention in 1922 and found on page 33 that Coco Roper was indeed the chapter president from Chapter AE, Hebron, and was listed as one of two delegates to convention. This document is written by Coco and somehow survived for 100 years and by some kind of miracle has ended up in my hands back home in Nebraska.

I was happy to share just some of Coco's comments and observations with the members of convention in 2022.

These are a few excerpts from her report:

"The 33rd annual convention of the P.E.O. Sisterhood was held in Fairbury on May 23—25 with Mrs. Ora Baird, 1st Vice President, in the president's chair this because of the serious illness of our state president, Mrs. Elizabeth Robertson. The meetings of convention were held in the Presbyterian church which was beautifully decorated with baskets of great red and white peonies. Our beautiful white marguerite was in evidence also and among those showy peonies – they looked out – reminding one of modesty and purity – lessons so beautifully taught by our star. The great pipe organ in this church added greatly to the pleasure of the convention for numbers of organ solos were given. Your delegates, Mrs. Goodhue and myself were greatly honored by being the guests of our beloved sister Lula Correll Merrill. Into this lovely home also came our Supreme President, Bertha Clark Hughes. Also, Mrs. Helen Drake – Past State President – a charming woman with wonderful gray hair and personality – well, I fell in love at once. Then also here were two more ladies from McCook – six of us—so you know what a fine time we had.

"Our first introduction was at the station where the B.I.L of the local president came rushing up to us saying –

'You are P.E.O.s.' Well, we didn't dispute him and showed him our baggage tag – Mrs. S. R. Merrill—so Mr. Merrill was only a step away and he soon conveyed us to his car. Dinner at six o'clock and we all dressed in our best to do honor to our hostess and the banquet prepared in our honor and some banquet it was. Our evening program was an open one and it was very fine. The pipe organ was played during the processional. There was a march to the platform by the officers. The guards were always very pretty dressed in white and carrying wands tied with tulle. Invocation—then the music followed by the introduction of guests and honored members. A very nice address of welcome from the local president—Mrs. Bilby—then a B.I.L. welcome from J.C. Hartigan. A clever little talk. Mrs. Bilby had said she had helped him all she could with his address. He said, yes, but in spite of all her help, he felt very modest about appearing before so many fine ladies and he still was in ignorance as to the meaning of the letters P.E.O.

“The address of the evening was given by our Supreme president Bertha Clark Hughes – subject – P.E.O. Sisterhood in Nebraska. I can not tell you the address, I wish I could. I can give a few statements which were a surprise to me. There are 30,000 P.E.O.s. There are chapters in 36 states. And there are 1,000 chapters. Mrs. Hughes is a very interesting and convincing speaker. One could not be in the presence of our Supreme president for many minutes and not find a clue to her hobby, Educational Fund – she thinks it – she talks it – she works it. She worked the Educational Fund.

“In a very few moments \$196.00 was pledged from the floor—\$500.00 from the state treasury—then she said ‘Kansas had raised in the same manner \$200.00, and we must equal Kansas’ - so \$4.00 was pledged.’ Oh we must beat Kansas –

“Someone gave a dollar, and they did. \$201.00 from the floor—\$500.00 from the state—\$701.00 added to the Education Fund. I presume you are not so ignorant regarding this object so dear to the hearts of our older sisters but really until the convention I did not know the vast amount of good this fund does to so many girls and how much good we will be able to do as we swell this fund. The girls on the waiting list numbers 31. So many have heard of this P.E.O. Educational Fund with its only 4 percent interest and easy and long payments. So many who have already made good and are beginning to pay back their loan. You know the slogan was \$200,000 by January 1, 1923. Well, a telegram came from Mrs. Ora Toby of Chicago, ‘our latest slogan – one million dollars by January 1, 1923.’ A Fairbury girl was a borrower and is now teaching in Michigan and paying back. So, the Educational Fund is a mighty thing in P.E.O. Let us not give less than our one dollar per member but more if we can. Mrs. Winona Evans Reeves, editor of the P.E.O. Record was present, and she is a lady whom you all would admire greatly and a very fine speaker. After seeing her and hearing her, I know now why our Record is such a wonderful magazine.

“P.E.O. offers a wide circle of friends and our Educational Fund gives us a world contact. ‘Help others to help themselves is the highest place of humanity.’ This is to be remembered in our gift to the Educational Fund. I believe I’ll give the secret work – this was given frequently thru convention by the organizer and also by the Supreme president.

“Memorial hour on Thursday afternoon was fittingly observed. After the Memorial hour we were forced to leave to make our train. I feel we didn’t miss really anything returning at this time.

“The total number of delegates present 84; honored members 4; state officers 6; state past presidents 9. Total enrolled in convention 171. A very fine attendance when one considers the condition of the roads. So many planned on driving as you know and could not. We were disappointed because we could not be entertained by our B.I.L.s as they planned an auto trip around the city and out to the country club for a luncheon and fine time. The rain was very much better I presume, and we didn’t feel it was raining rain but raining wheat, corn, potatoes and strawberries.

“This convention closed for your delegates at 5:15 Thursday afternoon and I speak for both of us when I say it was thoroughly enjoyed by us. It has done me a world of good, I feel. I know so much more about the aims and work of the P.E.O. I feel better able to cope with all that may arise in my year to come, serving you as your president. With your cooperation and by strict adherence

to our secret work and with P.E.O. ideals before us I am sure the year to come will be one of pleasure to us all. Of much learning and advancement for every one of us. I thank you for the privilege of attending Nebraska State P.E.O. Convention as your delegate. I was proud to represent such a Sisterhood and proud to represent Chapter AE. Thank you.”

So much has changed in one hundred years and yet much hasn’t changed. After reading Coco’s report and especially her words of inspiration, I hope those who attended the 2022 state convention felt the same love of this Sisterhood and left with the same feeling of confidence and understanding of the aims and work of this mighty organization.

Isn’t it a wonder that the Roper family kept Coco’s report for one hundred years and isn’t it a wonder that great grandson David read it, understood its value, and shared it with the P.E.O.s who will continue to appreciate its value? David and I have stayed in contact by email. I’ll let him know that convention listened to Coco’s lovely words and appreciate his diligence in preservation of this document.

There is one last item to include in this report. I was honored to be asked by International president Brenda Atchison, to serve on an International Focus Group during 2021—2022 to study the potential of identifying a location and resources required or desired for storing local chapter and state/provincial/district historical documents and memorabilia. Other members of the group were past state presidents who have archival/museum/historian experience. Together we prepared a detailed survey sent to s/p/d chapters and historians. The survey questions looked for answers to the questions about the amount of memorabilia held by s/p/d chapters, the desire for help in storing this collection if the resources were available and the interest in such activity. Results are pending and will be shared with the membership when completed.

I look forward to continuing to follow the example set by previous Nebraska P.E.O. historians and consider my appointment to this position an honor. I could not do this work by myself. I owe gratitude to my committee members this past year; Linda Flaherty, HJ, Jan Loftin, ES, PSP, and Joyce Victor, HJ, PSP.

Super Sister Revisited

Good morning! I am so pleased to be here with you today, sharing a few words and celebrating as we are here, together, in person! Seeing everyone's smiling faces is quite the treat for me! I am sure you are all feeling the same!

Do any of you recognize this cape and these deely boppers? If you have been coming to these conventions for a while, you just might, as they have made their appearance in two previous conventions. This silly thing made its debut in 2005 when I was state organizer and then, a few years later when I was on the state membership committee. Sherry's request for us all to dress like a star gave me a good excuse to wear it again! In the past, when I would wear this cape, I became Super Sister! She would make her appearance at P.E.O. gatherings whenever there was a problem or dilemma. She always came in, just in time, to save the day and solve the P.E.O. problem at hand.

Then when I was serving on the International Study and Research Committee, I had the pleasure and privilege of serving as the representative of

International Chapter at seven state and provincial conventions. Consequently, just like Alix will share with us later this morning, I, too, prepared a keynote message that I gave at each convention. The theme of the message was “Being a Super Sister” and I compared super heroes to us, as sisters. The premise was a bit silly and maybe even a bit of a stretch, yet I was able to find many similarities that likened P.E.O.s to super heroes.

In the address, I quoted from the P.E.O. Creed to give some level of believability to my comparison theory! The P.E.O. Creed was written by Effie Hoffman Rogers, who was the first editor of the P.E.O. Record and served very early on as a president of Grand Chapter. It is a statement of belief and declares many of our aims and ideals.

Many super heroes have a supporting cast of recurring characters that include the hero’s friends and co-workers. Without characters like Lois Lane and Robin to spice up the story lines, tales of Superman and Batman would not have been the same. This comparison is easy! None of us can be a sister unless we have a sister! Support of each other should be paramount in all of our P.E.O. relationships. Our own personal P.E.O. stories are enriched by those we serve alongside within our chapters and for that matter, by all P.E.O.s we come into contact with. As the P.E.O. Creed says, “I BELIEVE in my sisters, in the honesty of their intentions, in the purity of their motives, in the integrity of their character, and in the loyalty of their friendship.” Being each other’s side kick is what it’s all about!

To quote the P.E.O. Creed again, “I BELIEVE that it is within our power as P.E.O.s to help each other, that the rough places may be smooth, and the crooked places straight, the burden less heavy and life a continual joy and blessing, ever increasing, growing richer and richer.” Part of this statement is taken from the Old Testament book of Isaiah, chapter 40, verse 4. This speaks comfort and encouragement to me. When I Googled comfort, synonyms of comfortable included cozy and snug. I love those words! While these words mean enjoying a position of contentment and security, comfortable applies to anything that encourages serenity and well-being. I can only hope that you all feel that way about your chapter and your chapter sisters. Chapter responsibilities are always going to be there, that is a fact you can count on! But, in the midst of them all, my wish for you all would be to find acceptance, friendship and coziness in your chapter. P.E.O. membership should make our lives’ burdens a little less heavy and our crooked places a bit more straight.

So we all aren’t super heroes—not in the sense like leaping tall buildings in a single bound or flying around in a spandex suit (good thing!) or throwing spider webs out of the palms of our hands—but maybe in some ways we can be like them and can learn from what super heroes represent, who they hang out with and what kind of a difference they make in the lives of the people around them. Being “super” doesn’t mean you have to have amazing powers, a crazy costume or unusual weapons—it’s about doing extraordinary things by ordinary means.

Be a champion for all that is good and positive and right in P.E.O!

Embrace the meaning of “sisterhood” and the wonderful impact your sisters have on your life and celebrate what you mean to them. Remember this cape, channel your inner Super Sister and make her a reality in your own chapter!

Shooting Stars! It's Who We Are!

“What a Long Strange Trip It’s Been!”

My dear Sisters, Family, and Friends,

As I deliberated on what I wanted to say to you today, I thought not just about the past year as your president, but about the entire last six years of my journey on the Nebraska State Chapter Executive Board. One line of lyrics kept swimming around in my head, “What a Long, Strange Trip it’s Been”! I could not have stumbled upon a better theme, nor a more weirdly appropriate way to end my time of service on the board than by quoting The Grateful Dead to a P.E.O. convention!

It has indeed, been a LONG.STRANGE.TRIP! Wildly WEIRD, and wonderful! I’d like to share some of the strange, weird, and wonderful highlights. Let’s start with the strange. It’s 2016:

Strange is when a PSP calls me out of the blue to ask if I have ever considered state board service. She tells me that she has always liked the way I “comport myself” and she’ll let me think about it for a week and call me back. (I had to quickly look up “comport” as soon as I hung up!)

Stranger yet is getting another phone call out of the blue from another PSP, who asks the same question, gives a different reason why I should think about it, and she also tells me to think about it, and will call me back...???

Stranger still? Yet another phone call from yet another PSP, and guess what she wants to know? But now I’m getting wise to this, and I have my objections and excuses ready!

I don’t know what all they do and how to do it!

I especially know nothing about planning a huge convention!

I work — you only have time to do this if you are retired. I have a job already!

But she is more ready than I am. She knows me a little better and she says, “Sherry! Come on now! This is P.E.O.! You KNOW every P.E.O. office comes with a collection of totes and a TON of notebooks! To paraphrase, “There’s a book for that!” Then she assures me that I can call her any time if I think of any other objections, er...questions! Right!?

Now a little of the weird starts creeping in. I talk this over with David, admit that I would rather LIKE to give this a try, see if I can do it...how about I just take a chance? Besides, I probably won't get it, but it's only getting later and I'm getting older every minute! Here's my chance if I'm ever going to do this!

By some WEIRD twist of fate, I am elected secretary of NSC! WOW! My journey starts off with a bang! Literally. On the way home from my first visitation outside of Lexington I am rear-ended by a pickup pulling a stock trailer. (A few of those precious totes do not survive the crash.) The car was damaged bad enough that it would not start, had to be towed, and I had to be rescued off I-80.

I remember thinking to myself, this is not a particularly stellar start to my career here, and it wasn't, for this begins what I can only describe as "A Series of Unfortunate Events!"

We live on a farm that was homesteaded by David's great-grandfather in 1893. We have photos of the original soddy, the "new" frame house that was built after that and added onto over the years. The big brag that everyone in David's family will always tell you when talking about the house is that his grandfather "hand-dug" the basement. To my mind, this is not a ringing endorsement of quality! Neither the walls nor the floors are smooth or even, the cement is crumbling and there is a very authentic "old farmhouse basement" smell...if you know what I mean! To this we now add several flooding incidents of anywhere from 3 to 10 inches of water. David and I get to share in the joy of bailing water at all hours of the night together. It is a very bonding experience to say the least.

One of these floods occurs the night we arrive back at home from North Carolina's Convention of International Chapter in 2017. I'm not feeling really wonderful as a result of a little incident that happened on a gem hunting expedition we decided to take.

After paying to use a bucket and shovel from the site, (we decide we can share), we head on up the trail to find a good place to dig. We don't know how to identify such, but people have found nice gems here, so surely digging where others have dug will work, right? Upon reaching what appears to be favorable site we start wandering around, digging here and there, admiring the scenery and enjoying being outdoors. Sharing the bucket is going along okay, but perhaps renting a second shovel might have been a good idea...it's hard to wait your turn! Lo and Behold, I spy a shovel stuck in the ground, handle first! There is not a soul around except for us so I quickly surmise that someone must have forgotten it, and gleefully run over and yank it from the ground! I turn and yell to David to LOOK!

He does, and at this point his vision is much more terrifying than mine. He describes it like watching one of those cartoons where the bear hits the hornet's nest and they all come pouring out in a big black arrow, pointing out the offender while tiny bugles play the charge! He said at first, he thought it was smoke pouring out, and was wondering how that could be.

I think it is bees, and like the good beekeeper's daughter I am, stand still and remain calm and wait for them to bounce off and go on their way. THEY DON'T. In fact, I'm starting to feel needles of fire going into my body all over and the pain is increasing rapidly. A quick glance down tells me these are not

bees, but some smaller, fuzzier yellow insect and they are beginning to collect all over my shirt and capris! I scream and take off running uphill to the trail.

Turns out these are yellow jackets, and these are insects with a particularly bad attitude and very aggressive. They will attack for no reason, and THEY WILL CHASE! In fact they have been known to chase a person over a quarter of a mile for no reason at all! Better yet, they secrete a pheromone that tells all the others where to go! I am doomed!

You need to imagine this from David's point of view for the best experience. Here is your wife, running from a cloud of smoke and screaming for help at the top of her lungs! She is imploring you, beseeching you, begging you for help! And you just stand there, rooted to the spot, as your wife now starts thrashing wildly about, and tearing her clothes off as she runs...still screaming for help! I believed David describes this as the "Wild-and-Crazy-Mountain-Woman-Stripping-Streaker-Dance"! Never have I been SO FRANTIC to get out of my clothes! Yes sir, I have some souvenirs from CIC-North Carolina...not quite the gift of P.E.O. I was expecting from this experience.

You understand why I am not in my best bailing water frame of mind? Well, too bad, because here it is and over the next several months, we have these recurring "bail-bonding" experiences as the shower leaks, and floods the basement, it rains 10 inches, and floods the basement, the water heater fails and floods the basement. It does not matter what happens first, the result is a flood in the basement. It is just amazing how many things can cause a flood in the basement!

By July 2018 our basement is finally dry, and Nancy Wheeler and I are able to attend the LEAD conference in Des Moines. The group of us that are the organizers from the S/P/D chapters attending are on a bus on our way back from Mt. Pleasant and visiting the birthplace of P.E.O. The weather is awful. There are tornado warnings everywhere, including near Pella, which is where we are on the bus. Some of us attempt to convince the rest that it is the safer choice to abandon the bus into the raging storm that to stay in it during a tornado. They are having none of it, "Are you crazy? It's pouring out there!" And it gets very quiet for some long minutes as we try to see into the dark, raging storm, listen to the relentless wind, feel it rocking the bus, wait, and pray.

When the driver finally decides it is safe to move on, we barely travel a quarter mile and see miles of double pole power lines snapped off like toothpicks. The crops are nothing, but mush, homes, bins and buildings are flattened. We must have just missed being in the path.

Very eerie, very weird.

Back in Des Moines we learn that the International board, staff and all the S/P/D presidents are fearing that they may have lost the whole class of organizers who are destined to serve as president in 2021. They are very concerned! At our class meeting later that evening we christen ourselves the "Twister Sisters" never realizing how prophetic that was going to be. We have never stopped twisting and turning since!

Next came COVID-19 and masks and shutdowns...OH MY!

Social distancing and conflicting information abound.

responsibility for my mistakes and still be proud to be me! I am truly convinced that is all the adversity, the tornadic twists and turns that enabled me to do that.

By being battered by the storms, by feeling the pain of sorrows, I was able to learn to accept the love of my sisters, return love to my sisters and love myself for all that I am. Renee and Kellie told me time and time again, “This is what sisters do!” And I finally got it! This is the as you GIVE, so shall you receive, and you shall receive ever-so-much-more than you give. You will also give so much more than you thought you ever could!

This is my gift from P.E.O. The gift from P.E.O. to my heart. A gift lovingly given to me from my sisters, this incredible circle of women who helped me become me.

I wish I could personally thank each and every one of you and have you stand as I lovingly call your name...but if I tried to do that, I would never reach the end of the list! My tears would never let me, and the list would never end. But you know who you are, because you have the piece of my heart that I shared with you, when I received yours. I treasure this experience. You are forever a part of my heart. I can never thank you enough because I have been given so much more than I gave.

Always know that I am very, very proud to have served as your president. I feel that it was a special privilege that was given to me.

And I don't feel “recycled” at all!

Lovingly and humbly yours,

Sherry Erlewine

NSC President, 2020—2022

ACCEPTANCE REMARKS

Renee Piper, AK, North Platte

President

Nebraska State Chapter

**Surrounded by Love,
Encircled with Strength**

Words can't express how humble I am to stand before you today as president of Nebraska State Chapter. It has been an incredible four years from the time I was escorted to the front to be installed as secretary. The seed was planted many years ago when I attended a convention in 2001 with Leann Drullinger in

Omaha when she was passed the baton to be the convention chair the following year 2002. Holy cow that was 20 years ago! Wow, how many tubs did we place in her vehicle that contained convention supplies? I will soon be seeing all those tubs once again.

The incredible women she introduced to me over the years when she started her journey is beyond words. I have been blessed to know them all. In 2014 my phone rang and it was Karen Blair asking me to serve at the state level as the STAR Scholarship Chair and I said yes. Fast forward to 2018 when I was encouraged to consider serving at the next level by several past state presidents, Leann, Cindy Biehl, Jan Loftin, Joyce Victor and Karen Blair. The call came again from Karen Blair. I again agreed to apply for the executive board and again I said yes to this journey.

The last four years I have had the privilege to serve with and be guided by Past State Presidents Nancy Wheeler, Peggy Brendel and for the past two years Sherry Erlewine. For all of you, I thank you for your leadership and support.

When I began thinking of my theme, it didn't take me long to think of elephants as my inspiration: "Surrounded by Love, Encircled with Strength." Elephants are strong and the females are in charge of the herds. They have deep family bonds and tight-knit groups of related females and their offspring. Each herd consists of anywhere from eight to 100 elephants all led by the oldest. When a calf is born, it's raised by the whole herd. This reminds me of how we nurture our new initiates, bringing them to meetings and helping them understand our mission in P.E.O. Members of all ages want to be nurtured and the longest members guide and encourage the newer members to give of their talents and help women meet their educational goals.

The elephant inspires us to be patient and strong at the same time, which is something we all have been doing for the last couple of years. The size of the elephant is not equal to its speed but do not underestimate its power. The elephant relies on its patience and ability to think through all situations that it might encounter in the wild. The elephant is calm and confident. Elephants love reunions. They recognize one another after years and years of separation and greet each other with wild, boisterous joy. There's bellowing and trumpeting and ear flapping. It gave me chills on opening night to see all of us come together, reunited, with so many smiles and all the chatter. Oh, how I missed you all!

My Goals this year are:

Goal #1: To promote visibility of P.E.O. through community service and continue to actively seek project applicants in our communities. We need to present our mission to our community by helping through community service, doing fundraisers and advertising where our profits are going.

Goal #2: We need to talk about our many projects that we have available, both the International and state projects. Why? Because it is our job to find APPLICANTS for these projects. Why have projects if we don't have applicants for them? Isn't that our #1 mission?

ELF helped me achieve my doctorate degree. In 1990 I received \$1,200.00, and now it has grown to \$20,000 for a doctorate degree and at two percent who would turn that down?

Where do we find these applicants? Keep your eyes and ears open and pay attention to your waitress, store clerk, etc. It's amazing where you might find a

woman that could use our help to further her career. Your community will help if you just let them know what P.E.O. does for women. Maybe your chapter can order more project brochures and make it a goal to have each member hand out five brochures a year to prospective women. It is an uplifting event for your chapter to have an applicant accepted and be able to follow her through her educational experience. I hope you enjoyed listening to the women last night that received awards and how appreciative they are of our help.

Goal #3: Strengthen leadership pipelines within our local chapters by introducing members to Leadership Development resources and encouraging their use. There is so much available on both our websites, International and state, to help each and every one of us become better leaders. I challenge each chapter to spend some time reviewing this information. Each and every one of us have something to offer to our chapters, members and our communities. Chapter programs may be given on this subject. Each year, we hope our official visits and our Local Chapter Officers' Workshops along with our Chapter Buddy Groups, help officers lead their chapters forward. Truthfully, it all starts at the local level. Local chapters have an opportunity to nurture their members into leadership roles. P.E.O. has everything written down and your sisters are there to help. Then, hopefully, you will fill out a Willingness to Serve form and join the state level on a Leadership Team committee and eventually apply for the Nebraska State Chapter Executive Board.

Back to my elephants. Despite disruptions to social structure and overcoming obstacles, the elephants and their networks are resilient over the long term. That sound familiar with P.E.O.? They encircle with protection, strength, strong bonds, social connection, sensitivity, compassion, happiness, wisdom, leadership, peace, patience, kindness and caring, family love and loyalty. All these words describe P.E.O.s and our organization.

P.E.O. gives women the opportunity of moving forward by improving their education. At the same time, it gives all of us the advantage of improving our leadership skills, making new friends and having lasting relationships.

Be like an elephant, remember what matters, look out for your herd, and don't be afraid to take up space and be a leader.

Have a wonderful P.E.O. year. And remember, the Executive Board of Nebraska State Chapter is available to help you every step of the way. Thank you!

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Nebraska P.E.O. Home

Qualified Opinion

We have audited the accompanying financial statements of the Nebraska P.E.O. Home (a nonprofit organization), which comprise the statements of financial position as of March 31, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Nebraska P.E.O. Home as of March 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

As explained in Note 3 to the financial statements, management has informed us that no historical costs have been maintained and that property and equipment has been recorded at estimated cost prior to 1990 and historical cost after 1990 less depreciation calculated on such values. Management has also informed us that its land and building with an estimated cost basis of \$1,029,954 and \$238,429 at March 31, 2022 and 2021, respectively, has been stated at an estimated market value of \$3,560,400 and \$3,494,034, respectively. Accounting principles generally accepted in the United States of America require that property and equipment be stated at cost and that if accounting principles generally accepted in the United States of America had been followed, the net assets would be decreased by \$2,544,697 and \$3,255,605, at March 31, 2022 and 2021, respectively, at a minimum.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Nebraska P.E.O. Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Nebraska P.E.O. Home's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nebraska P.E.O. Home's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Nebraska P.E.O. Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying information on pages 22 - 23 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
