

Adopt-a-Resident AND/OR Adopt-an-Employee to begin July 1, 2025 – June 30, 2026

*The P.E.O. Home Board of Directors invites your chapter to consider
adopting a Resident or an **Employee** of the P.E.O. Home.*

Please read carefully and know these program guidelines:

★ Residents and Employees are assigned for **one year** beginning July 1, 2025 – June 30, 2026. **You may request a previous Resident or Employee, but there is no guarantee as names are assigned in the order received.** NOTE: Should the status of the Resident or Employee change, you will be notified.

★ You will receive a “bio” sheet along with your confirmation of Adoptee(s) to assist with important dates, likes, interests, etc. The designated sister, from your chapter, will receive this information within one week of receipt of your form.

★ Your chapter should designate a sister(s) to contact your assigned Resident or Employee at least four times a year – birthday, holidays, special days, or “just because”.

★ Suggested remembrances are: cards, notes, small gifts and/or visits

★ **If you mail a larger envelope or package, be sure it is weighed at the Post Office so the chapter applies the appropriate amount for postage. If ordering online, your package can be sent directly to The Nebraska P.E.O. Home – in the name of the Resident OR Employee.**
