International will send notification to NSC for gifts they receive from Individuals. The gifts will be added to NSC gift list based on the notification date received from International.

Individual Gifts Given to NEBRASKA Projects Information

- * **INDIVIDUAL Project Donations to NE State Chapter Projects** are to be mailed to NSC using the INDIVIDUAL Project Donation form on the state website.

Local Chapter & Reciprocity Group Gifts Given Information

- * Checks **must be postmarked by December 15th AND** received no later than December 20th to be included on NSC Annual Gift List. NSC Gift List is based on calendar year.
- * Chapter Donations can be sent any month. However, It is preferred that they not be sent with the annual reports due to the volume of annual reports and dues received during March.
- * **If your chapter fundraiser is in December, making it difficult to mail by December 15th**, your chapter could make a change to mail your gift every year in January. Consistently mailing your chapter donations in January may make it easier for your treasurer and keep gifts consistently showing on the gift list. OR perhaps fall is a better time for your chapter, the gifts could be sent in the fall each year. As long as the donation is consistent year to year, it will show on the gift list.
- * Note: A Chapter may still receive Chapter Recognition for applicable International Projects if the January 31st deadline is met. **AS long as NSC RECEIVES the donation by 1/31** in time to process for transmittal to International, your chapter will be eligible for recognition. Chapter Recognition has a different due date than the NSC Gift List of December 15th.

P.E.O. Home Gifts Given Information

- * P.E.O. Home donations are to be mailed direct to the P.E.O. Home using the P.E.O. Home form on the state website.
